Good Morning Everyone,

We received the below FOIA request over the weekend. It's definitely a PD request, but I wasn't sure if I should send over to Records. Let me know how you would like to handle it and if there is anything I can assist with.

Subject: FOIA request 19-148 - Shreyas Gandlur - Due 9/3/19

Dear FOIA Officers:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, I request copies of the following records:

- All documents (including but not limited to emails, memoranda, contracts, or agreements) related to the Village's contract with Amazon Ring
- All emails (including any and all attachments) sent to/received from email addresses associated with the ring.com domain from January 1, 2019 to present
- Any documents (including, but not limited to, emails, memos, guidances, or guidelines) containing policies or procedures regarding either the Neighbors app or RING cameras. Please include any policies or procedures regarding social media guidelines or video footage requests
- Documents (including, but not limited to, emails or memos) sufficient to show the Partnership Point of Contact, Press/Media Coordinator, Social Media Coordinator, Investigative Coordinator, and Community Relations Coordinator with regards to the RING agreement
- Documents (including but not limited to emails or police reports) detailing requests made through the Neighbors app to view Ring camera footage

The requested documents will be made available to the general public, and not for commercial purposes, in order to shed some light on these contracts with the Village (see, e.g., my blog post at <https://sgandlur.com/ring-map>, for more context on investigations into Amazon Ring).

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling

my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,
Shreyas Gandlur

Dear Shreyas Gandlur,

This letter responds to your Freedom of Information Act (FOIA) dated **08-26-19**.

Under Section 5 ILCS 140/3(e) of the Illinois Freedom of Information Act, a public body may extend the time to which it needs to respond to a FOIA request by up to 5 business days. The Village has determined it cannot complete an extensive search of its records in the timeframe given, without unduly burdening the operations of the Village. As such, the Village is extending the time to respond to request by an additional **5 days**. The Village's new response date will be **09-10-19**. If any additional information is needed, a representative of our office will contact you. We appreciate your patience while we work on your request.

Sincerely,

Deputy Chief John Matuga

Itasca National Night Out

Tuesday, August 6, at 5pm, the Itasca Police Department invites residents and businesses alike to join us for our annual National Night Out at the Municipal Complex. There will be collection bins for non-perishable food items for the Itasca Food Pantry. Those bringing non perishable items will receive an extra raffle ticket. Itasca Night Out is an opportunity for the police department and the community to heighten crime and drug prevention awareness, generate support for, and participation in, local anticrime programs, strengthen neighborhood spirit and police-community partnerships and send a message to criminals by letting them know that neighborhoods are organized and fighting back. As part of our festivities, we have arranged interactive activities with the Itasca Fire Protection District, the Library, Park District, Public Utilities, Public Works, and of course the Itasca Police Department. Complementary hamburgers, hot dogs and ice cream have been donated by area restaurants and businesses. All of Itasca is invited and encouraged to attend. For further information please contact the Itasca Police Department.

Narrative Information

On 7/15/2019 at approximately 1516 hours I was dispatched to the station for a report of damage to property. Upon arrival I spoke with complainant [REDACTED] stated in summary and not verbatim that she attended the Itasca Fest on Friday, July 12th. [REDACTED] parked her 2019 Nissan Armada at the intersection of Grove Ave and Walnut St at 2030 hours and walked over to the fest. [REDACTED] upon returning to her vehicle at 0000 hours, observed a long scratch on the driver's side doors of the Armada. [REDACTED] believed her vehicle was 'keyed' by an unknown subject during her time at the fest.

[REDACTED] stated she could not think of a person who would have keyed her vehicle. [REDACTED] stated she did not cause any issues with anyone while at the the fest and has nobody angry with her.

I searched nearby houses with negative results.

Due to a lack of investigative leads, this case can be closed.

Case Closed.

On 7/7/2019 at approximately 1020 hours I was dispatched to [REDACTED] for a report of criminal damage to motor vehicle. Upon my arrival I spoke with victim [REDACTED]. [REDACTED] stated in summary and not verbatim that sometime over night her silver Ford Edge was vandalized with black spray paint. [REDACTED] last saw her vehicle undamaged near 2200 hours and observed the damage at approximately 1020 hours. [REDACTED] stated that she is currently going through a divorce process with her husband [REDACTED]. [REDACTED] informed me that [REDACTED] has been working with [REDACTED] who lives across the street from [REDACTED]. [REDACTED] believes its possible one of those two vandalized her vehicle but believed [REDACTED] and her family were out of town for the weekend. [REDACTED] also believes its possible [REDACTED] vandalized her vehicle. IPD conducted a harassment investigation in August of 2018 (IT18005136) where [REDACTED] made a report of [REDACTED] harassing her. During the investigation of that report, [REDACTED] property was taken from her house and subsequently returned after I spoke with [REDACTED]. [REDACTED] did not admit guilt of taking the property but was aware of where [REDACTED] lived. [REDACTED] stated she hasn't heard from [REDACTED] for months nor has she received any unusual phone calls or text messages. [REDACTED] stated [REDACTED] was aware of what car she drives.

[REDACTED] vehicle was the only vehicle vandalized despite three other vehicles parked in the driveway overnight. A canvass of the area lead to negative results. A check for cameras in the neighborhood led to negative results. Due to Peacock Middle School being so close to [REDACTED] home, I will check with District 10 for video footage of Peacock's front exterior.

Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 28 day of MAY, 2019 by and between Ring LLC ("Ring") and Itasca Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Itasca's ("Village") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to Village residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Anthony brings extensive experience in the business and is well positioned to successfully onboard and work with you and Itasca Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Anthony. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership.
 - Name - Sergeant Tom Poulakidas
 - Email - tpoulakidas@itasca.com
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR.
 - Name - Deputy Chief Barry Kauther
 - Email - bkauther@itasca.com
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc..
 - Name - Sergeant Tom Poulakidas
 - Email - tpoulakidas@itasca.com
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.
 - Name - Sergeant Tim Mace, Detective Dan Kaltenbach, Detective Anders Langlo
 - Email - tmace@itasca.com, dkaltenbach@itasca.com, alanglo@itasca.com
- **Social Media Coordinator** - your resident expert who is responsible for posting to social media.
 - Name - Sergeant Tom Poulakidas

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-

share the Portal with you. Anthony, could you please coordinate with Sergeant Poulakidas to identify a day and time that works for all of your schedules?

Thank you, to you all, for your time.

Sincerely,

Rohit D. Murti
